Mr. Fred Dold, Treasurer  
Painters Local 46  
436 Chelsea Way Drive  
St. Charles, MO 63304

Dear Mr. Dold:

This office has recently completed an audit of Painters Local 46 under the Compliance Audit Program (CAP) to determine compliance with provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA) by your organization. As discussed during the exit interview with you on September 13, 2005, no violations of the LMRDA were disclosed in areas of financial activity included in the CAP. This does not exhaust all possible problem areas, however, since the audit conducted was limited in scope and did not include all areas of your union's operation.

You informed me that you handle the local's disbursements and maintain the checks and the bank statements as well as maintaining all records in the computer accounting system. You stated that Jim Wolfe, Financial Secretary, maintains the receipt records and collects the dues payments and deposits them into the account. After speaking with you and Mr. Wolfe, it appeared that all disbursement and receipt records were properly maintained.

You were given compliance assistance material and stated you would read the material and maintain it with the records for any future treasurer to review.

I want to thank you for your cooperation and courtesy during this compliance audit. If we can be of any assistance in the future, please do not hesitate to contact me or any other representative of our office.

Sincerely,

Dennis L. Eckert  
District Director
