

# BIG UNIONS ARE FIGHTING ~~FOR~~ US.

**Labor Day used to  
celebrate efforts to help  
working Americans.**

**But it's no longer  
Unions vs. Management.**

**It's now  
Unions vs. Employees:**

- Union "leaders" embezzle and waste dues dollars
- Union "leaders" use members' money on their own political agendas
- Union "leaders" are trying to suppress an employee's right to vote in secret ballot elections
