

Blagojevich Indictment

Election Law Scandal

Who's
connected
to both? The
union leaders
at SEIU.

SEIU has given more cash to Rod Blagojevich than any other group in America. They also offered to help in his "sale" of a U.S. Senate seat. And SEIU has been a long-time financial partner of the often-indicted ACORN.

What's next for SEIU?

The union is now using their political influence to pass the deceptively-named Employee Free Choice Act. This bill would give Stern and other union bosses the tools to intimidate employees and force them into paying billions in union dues.
